In Summary:

- Africa Development Solutions Group in partnership with Africa Health Business Symposium and Mansa Media will be hosting the “Access to COVID-19 Vaccines for Africa” webinar on 3<sup>rd</sup> November 2020
- The webinar will include expert discussions around the procurement and financing solutions of COVID-19 Vaccine to Africa
- The webinar will be its first ever virtual session due to the COVID-19 pandemic

Monday 30/11/20 DAKAR, SENEGAL — Africa Development Solutions (ADS) Group in partnership with Africa Health Business Symposium and Mansa Media will be hosting the ‘Access to COVID-19 Vaccines for Africa’ Webinar on Thursday 3<sup>rd</sup>, December 2020 from 12.30 PM – 2.00 PM GMT.

The first ever virtual webinar will include discussions by health experts on the procurement and financing solutions for the production, distribution and administration of the COVID-19 vaccine on the African continent. This thematic session will also include vital partnerships in the public-private space, highlighting the role that they play around the discussions.

The webinar themed, ‘Partnerships for resilient health system’ will bring together some of the most influential public & business leaders and key stakeholders in the healthcare sector across Africa, among them Samba Bathily – CEO & Founder, ADS Group, Paulo Gomez - Co-chair for Afrochampions, Dr. Nicaise Ndembi, Senior Science Advisor at Africa CDC and Dr. Amit N. Thakker, Chairman of the Africa Health Business as the webinar moderator.

Notable partners during the session include: ADS Group as the organizer, G42 as the strategic partner and Equally, Africa Health Business and Mansa Media as the organizing partners.

# ACCESS TO COVID-19 VACCINES TO AFRICA

3RD DECEMBER, 2020

12.30 - 2.00PM GMT

ORGANIZED BY

ADS Group (ADS) was launched in 2004 by Samba Bathily, a world-renowned African entrepreneur who pioneered the financial structuring of major infrastructure projects, particularly in the field of new technologies and clean energy. Under the ADS umbrella is a dynamic group active in the sectors of project financing and consulting; technologies; industrial development; renewables and access to water; distribution and franchising; infrastructures, real estate, hotels and construction; automobile and logistics. With regards to technologies and telecommunications, ADS has a specific experience in telecom infrastructure deployment as well as in the provision, through its key brands Afritek and Africa Digital Solutions, of solutions and products to offer tailored support to African Governments, Institutions and the Private sector.
